# CO-FOUNDER & CHIEF TECHNOLOGY OFFICER CONTRACT

# THE BITCOIN CORPORATION LTD

Company Number: 16735102
Registered Office: Flat 6, 315 Barking Road, London, E13 8EE
Date: _____ 2025

---

**PARTIES TO THIS AGREEMENT**

**The Company:** The Bitcoin Corporation Ltd, a private limited company incorporated in England and Wales under company number 16735102, whose registered office is at Flat 6, 315 Barking Road, London, E13 8EE ("the Company")

**The Executive:** Dr. Craig Steven Wright, of [Address] ("the Executive" or "the CTO")

## 1. APPOINTMENT

**1.1** The Company hereby appoints the Executive as:

(a) **Co-Founder** of The Bitcoin Corporation Limited

(b) **Chief Technology Officer (CTO)**

(c) **Director** of the Company

**1.2** The appointment shall commence on _____ 2025 (the "**Commencement Date**") and shall continue, subject to the provisions of this Agreement, until terminated by either party.

**1.3** This appointment is subject to the Executive's acceptance of the terms and conditions set out in this Offer.

# 2. EQUITY OWNERSHIP

### 2.1 Share Allocation

The Executive shall be granted **65% (sixty-five percent)** of the total issued share capital of the Company, to be issued upon execution of this Agreement.

### 2.2 Vesting Schedule

(a) 50% of shares vest immediately upon signing

(b) Remaining 50% vest upon the earlier of: (i) 12 months from commencement, or (ii) achievement of £10 million annual revenue run-rate

(c) Full acceleration upon successful establishment of the Bitcoin Development Trust

### 2.3 Share Rights

The shares shall carry full voting rights and shall rank pari passu with all other ordinary shares in the Company.

### 2.4 Trust Issuance Option

The shares may be issued to a discretionary trust settled by the Executive, provided the Executive maintains full control and beneficial ownership of such trust.

# 3. DUTIES AND RESPONSIBILITIES

### 3.1 Primary Responsibilities

The Executive shall have substantial autonomy in defining the technical direction and priorities of the Company, with core responsibilities including but not limited to:

(a) **Technical Strategy:** Define and implement the overall technical architecture for the Bitcoin OS ecosystem

(b) **Development Priorities:** Determine which applications and tools to prioritize for development

(c) **Standards Setting:** Establish technical standards and best practices across all platform components

(d) **Innovation Leadership:** Direct research and development of new features and capabilities

(e) **Protocol Implementation:** Oversee Bitcoin protocol integration and blockchain architecture

(f) **Quality Assurance:** Ensure all products meet professional standards for reliability and usability

**3.2 Flexible Focus Areas**

The Executive shall have discretion to allocate time and resources across:

(a) Core infrastructure development

(b) Application ecosystem expansion

(c) Developer tools and documentation

(d) Smart contract and tokenization frameworks

(e) Integration with existing Bitcoin infrastructure

(f) Any other technical initiatives deemed strategic by the Executive

**3.3 Collaborative Approach**

The Executive shall work collaboratively with the CEO on strategic decisions while maintaining technical autonomy in implementation approaches.

# 4. COMPENSATION AND BENEFITS

| Component | Details |
|---|---|
| **Compensation** | No fixed salary; entitlement to discretionary bonuses from profits |
| **Stock Options** | Additional 10% option pool available for performance-based grants |
| **Annual Leave** | 28 days plus UK bank holidays |

| | |
|---|---|
| **Trust Fund** | Direct control of Bitcoin Development Trust once established |
| **Equipment** | All necessary hardware and software for development work |
| **Professional Development** | £10,000 annual budget for conferences, research, courses, and materials |
| **Flexible Working** | Full remote work flexibility with optional office access |

**4.2 Expense Reimbursement**

The Company shall reimburse all reasonable expenses properly incurred by the Executive in the performance of duties, subject to production of receipts.

# 5. KEY PERFORMANCE INDICATORS

**5.1 Technical Milestones (Non-Binding Targets)**

(a) **Year 1:** Core platform architecture established, 10+ applications operational

(b) **Year 2:** Full ecosystem of 35 applications, active user base of 10,000+

(c) **Year 3:** Platform scaling to 100,000+ users, revenue generation active

**5.2 Qualitative Objectives**

(a) Establish Bitcoin OS as recognized standard for Bitcoin application development

(b) Create sustainable developer ecosystem around the platform

(c) Demonstrate practical utility of Bitcoin through working applications

# 6. INTELLECTUAL PROPERTY

**6.1** All intellectual property created by the Executive in the course of employment shall belong to the Company, subject to:

(a) Fair attribution and recognition of the Executive's contributions

(b) The Executive's right to use such IP for academic and research purposes

(c) Open source licensing where strategically appropriate

**6.2** Pre-existing intellectual property of the Executive remains their property, with the Company granted a perpetual, royalty-free license for use in Company products.

# 7. CONFIDENTIALITY

**7.1** The Executive agrees to maintain confidentiality of all proprietary information, except:

(a) Information already in the public domain

(b) Information required to be disclosed by law

(c) Technical information intended for open-source release

# 8. TERMINATION

**8.1 Notice Period**

(a) By the Executive: 3 months' written notice

(b) By the Company: 6 months' written notice

**8.2 Immediate Termination**

The Company may terminate without notice only for gross misconduct as defined by UK employment law.

**8.3 Post-Termination**

Vested shares remain with the Executive. Unvested shares are forfeited unless termination is without cause.

# 9. TRUST STRUCTURE

**9.1 Bitcoin Development Trust**

(a) The Executive shall have direct control and trusteeship of the Bitcoin Development Trust upon its establishment

(b) Trust assets and intellectual property remain under Executive's technical direction

(c) Company operations and trust objectives shall be aligned under Executive's leadership

**9.2 No Restrictions**

The Executive faces no non-compete or non-solicitation restrictions, recognizing that:

(a) Bitcoin development requires open collaboration

(b) The Executive's expertise benefits the entire ecosystem

(c) Restrictive covenants would be contrary to Bitcoin's open-source philosophy

# 10. GOVERNANCE

**10.1** As majority shareholder, the Executive shall have:

(a) Board representation rights

(b) Veto rights on fundamental changes to company structure

(c) Input on all strategic decisions

**10.2** Major decisions requiring mutual agreement:

(a) Sale or merger of the Company

(b) Raising external investment

(c) Fundamental changes to business model

# 11. GENERAL PROVISIONS

**11.1 Nature of Offer:** This document constitutes an offer of employment and equity, subject to negotiation and mutual agreement.

**11.2 Amendments:** Terms are open to discussion and amendment prior to final agreement.

**11.3 Governing Law:** This Offer shall be governed by the laws of England and Wales.

**11.4 Good Faith:** Both parties agree to negotiate in good faith toward a mutually beneficial arrangement.

**11.5 Validity:** This offer remains valid for 30 days from the date above, unless extended by mutual consent.

## SCHEDULE A: INITIAL DEVELOPMENT PRIORITIES

The Executive shall have discretion to prioritize development across the following initial areas:

1. Core Bitcoin OS infrastructure and architecture
2. Standardization of application frameworks
3. Token economics and smart contract systems
4. Developer tools and documentation
5. Integration with existing Bitcoin ecosystem
6. User-facing applications (35 planned applications)
7. Security and compliance frameworks
8. Performance optimization and scaling
